RHEUMATOID ARTHRITIS INFORMATION INSPIRATION & SUPPORT

Experience all of these at an event near you.

Join us for an educational seminar that could improve the way you live with RA.

It's not often that you get the opportunity to meet face-to-face with a respected group of rheumatoid arthritis (RA) experts. So please join us for an educational seminar sponsored by RISE™ (RA Information, Service, and Education). This unique event will give you a chance to learn about advances in RA treatment options. We'll provide practical health and wellness advice that can help you better manage your RA. During the event you'll hear from a rheumatologist and be introduced to some of our RISE Ambassadors, people just like you who are living—and thriving—with RA.

BE INSPIRED

Listen to real-life stories from RISE Ambassadors, people just like you who are ready to share the challenges and successes they've experienced with RA.

BE ADVISED

Learn about advances in RA from a healthcare professional who will discuss current and emerging treatment options.

BE READY

Having RA can be a challenge. But talking about it doesn't have to be. Learn how you can discuss symptoms and treatment options with your doctor so you can make the most of your visits.

SPACE IS LIMITED. To reserve your spot at an event, call 1-877-474-8892 to register.
